Iconic Menu

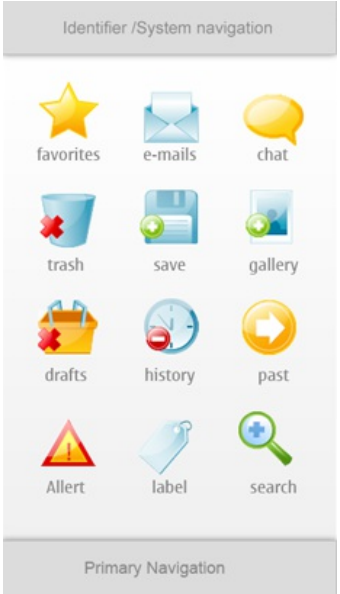
Inheritance

```
Nokia.IconicMenu
    |- Nokia.Widget
        |- Nokia.Class (basic class)
```

1 - Description

A menu with content organized in a grid, enabling the calling of native applications accessed by the WRT library. This content should be an image and/or a text. To access the content, the user must tap or click the icon.

2 - Visual Design



3 - Component Dependencies

3.1 CSS

```
<!-- Themeroller CSS -->
<link rel="stylesheet" href="themes/themeroller/<theme>/Themeroller.css" type="text/css" media="screen">
<!-- Specific Theme/Resolution CSS -->
<link rel="stylesheet" href="/themes/nokia/ext-theme/<theme>/<resolution>/custom.css" type="text/css" media="screen">
```

3.2 Javascript

```
<!-- jQuery file -->
<script src="/lib/jquery/jQuery.js" type="text/javascript" charset="utf-8"></script>
<!-- Guarana file -->
<script src="/lib/Guarana.js" type="text/javascript" charset="utf-8"></script>
```

4 - Functional Specifications/Requirements

(C) Copyright Nokia 2013. All rights reserved.

4.1 - Options

  - Defines whether the component is created as maximised.

4.2 - Events - Callbacks

- create: function()
  - Scope: [this.element]

4.3 - Methods

- select: function(item, event)
  - Selects a component item.
  - return [void]

4.4- Default options

- maximize: true

5 - Component Demo

5.1 HTML

```
<div id="menu"></div>
```

5.2 Javascript

```
var tabs = new Nokia.IconicMenu({
     element: '#menu',
     items: [
          {
               label: "favorites",
               icon: 'images/icon1.png',
               select: function(item, event) {
                    alert('IconicMenu Clicked on: ' + item.label);
               }
          },
          {
               label: "e-mails",
               icon: 'images/icon2.png',
               select: function(item, event) {
                    alert('IconicMenu Clicked on: ' + item.label);
               }
          },
          {
               label: "chat",
               icon: 'images/icon3.png',
               select: function(item, event) {
                    alert('IconicMenu Clicked on: ' + item.label);
               }
          },
          {
               label: "trash",
               icon: 'images/icon4.png',
               select: function(item, event) {
                    alert('IconicMenu Clicked on: ' + item.label);
               }
          },
          {
               label: "save",
               icon: 'images/icon5.png',
               select: function(item, event) {
                    alert('IconicMenu Clicked on: ' + item.label);
               }
          },
          {
               label: "gallery",
               icon: 'images/icon6.png',
               select: function(item, event) {
                    alert('IconicMenu Clicked on: ' + item.label);
               }
          },
     ]
});
```
